Sneak Peaks!

A few months back, my boyfriend and I bought a flat in a big block. We got it cheap because it needed total gutting, which we're doing bit by bit. Recently we've been working on the bathroom, but luckily some neighbours have been letting us use their shower. I asked to use it the other night, before I went out. Only the husband, Mal, was in, but he told me no problem. I had my clothes with me, in a see-through plastic bag, and saw Mal eyeballing my little lace G-string. "Put it away," he said. "It's hard enough trying not to picture you in the shower."

"Don't want to watch me, then?" I asked him. The pair of us seemed to think about it for a few seconds, then he said, "As long as we don't ever mention it to anyone, right?"

I stripped off and got under the shower, Mal watching as I started to soap myself. It felt so good, scrubbing away the grime, I forgot he was there for a bit, until he coughed. Then, pointing at his bulging crotch, he said, "You don't mind if I... er..." "I'll be a bit offended if you don't!" I said, lathering up my boobs.

For a smallish bloke he had a nice big prick on him, and

I kept watching as he wanked it. Then

I saw a bottle of body lotion, beckoned him over and squirted a thin, creamy stripe of it down the top side of his shaft. His hand was slipping all over it, but soon it was gliding smoothly with just enough friction.

I thought it would be me doing all the teasing and turning on, but the sight of him, and just how much he was into this, was getting to me as well. I stuck a hand in between my thighs – I was just as wet down there with my juices as from the shower.

I dropped down to my knees, so that his cock was level with my tits. His hand was moving in a blur by now, and I was just turning the spray on them. "Come on, just jizz on them," I breathed, virtually looking down the barrel of his cock. I saw wetness ooze out of the tip then, like it happened in slow motion, he spurted a load of cum all over my boobs. I left it there for a few seconds, then watched it melt away as I turned the shower back on myself.

I'd seen it as a bit of fun but now I couldn't stop thinking about him. A few days later I went and knocked on his door again, pretty sure his wife would be out. I didn't really give him any chance

to argue. I started snogging him as I backed him into their lounge.

"Now or never," I told him as we broke he kiss and he obviously reckoned that as we'd misbehaved before, this was too good a chance to miss. He led me into the spare room – where I'd changed after my shower the last time. We snogged on the bed and then I got him on his back, swinging my leg over him to sit on his crotch. I just dry-humped him through his clothes at first – I hadn't bothered wearing knickers under my skirt. As he took his jeans off I grabbed his cock and started to wank it, squeezing the thick, veiny length in my hand.

The second he was naked I laid him back on the bed again, and guided his prick inside me, sinking down hard

and squirming on it as I took it inside me. I rode him hard, not because I was scared of getting caught – I just wanted to cum my tits off as quick as I could. Mal had a mouthful of my boobs, and he was strumming away at my clit. I started cumming, grabbing a pillow to muffle my screams – I didn't want to push my luck too much. Not long after, Mal started spunking too, filling my fanny full. I kept snapping my pussy tight around his cock, stringing it out as long as both of us could handle. We've been sneaking shags ever since, although we try not to do it too often in case we get careless. But that means when we do get together, it's all the more horny for us both!

Kara, Birmingham.

ROXEE

Who's up for a good spanking? "If you want to date me, and bed me you've got to be up for anything but the ordinary when it comes to hanky panky!" Roxee declared to us. JESS

Who better to crack it off after 'My Favourite Dildo' than Jess West, because this girl loves to play with a toy or twenty-two! "I've got such a huge dildo collection, I like to keep them all safely stashed away in my top drawer but I always seem to misplace them. It can get quite embarrassing sometimes. For instance, the other day my parents were over at my house and we were watching the TV after dinner and rather than finding the remote control down the side of the sofa I pulled out a great big vein throbbing cock dildo, I've never been more embarrassed in my life!"

REAL WIFE SEX

Soho sex shop spices things up a notch!

Sally-Ann slowly pushed the dildo deep inside my pussy, pulling my bum cheek back.

My husband and I have been using porn DVDs as an extra stimulant for a long time now and over the years since he introduced me to them I've found myself getting more and more into them. I work in Soho near a sex shop, which is highly convenient, and there's nothing more exciting than coming home on a Friday night with a brand new purchase, seeing the anticipation on his face. For his birthday last month, however, I decided to up the ante a little and give him something he wasn't expecting. We'd been out for a fancy meal – for which I'd worn Graeme's favourite

slinky black dress, which shows off my ample boobs and curvy bum – and had plenty of wine, so we were both a bit merry. Slamming the door behind us, I told Graeme to grab a bottle of wine and two glasses, while I hurried into the living room to get everything ready, including lighting all the candles I had placed around earlier. Wandering in nonchalantly a few minutes later, he suddenly stopped in the doorway, so surprised he nearly dropped the drinks he was carrying and a big grin spread across his

face, obviously chuffed at the effort I'd made with the room – and with myself! I had slipped my dress off to reveal the black, lacy peephole bra and knickers, which I now stood in and, coupled with my shiny high heels, I have to admit that I looked pretty fucking hot! I went over to him and, kissing him softly on the lips, I took the wine glasses from him and led him over to the sofa, which I had covered in a luxuriously furry throw. As usual, when I turned on the DVD player and inserted the disc – bending over sexily, giving him a good eyeful – Graeme became very quiet, his eyes fixed on the screen. He looked a bit confused to begin with, as the first image on the screen was a fairly shaky shot of a living room. As he kept watching, I appeared in shot, facing the camera, in a short leather skirt, boots and bra. He turned to me and stuttered, "Err, Kirsty? What's going on? Who's holding the camera?" I simply smiled at him and said, "You'll see! Keep

watching..."

On the screen, I sat down on an upright chair and parted my legs to show I wasn't wearing any knickers. "Do you think he's going to like this?" I asked the person holding the camera, and my friend, Sally-Ann's voice came from out of shot, "Kirst, you look ridiculously horny! Of course he will!" Graeme's eyes were absolutely transfixed to the screen, almost like he had forgotten I was there, so I decided to remind him, placing my hand on his crotch. He was already stiff, and, after rubbing it through his trousers for a short while, I took his cock out and took it firmly in my grip. Meanwhile, on the TV I'd begun to run my fingers along my thighs, over my stomach and up to my tits, as Sally-Ann directed me. As I wanked Graeme, he watched me play with my clit and feel inside my bra with my other hand. My eyes darted between my performance on screen and Graeme's reaction, but he was oblivious – he was transfixed by the screen image, and moaning gently as I tossed him off. The camera moved a little closer as I hooked one finger into my fanny, my fleshy pink lips standing out in the poor focus. Sally-Ann corrected it in time for me to open myself up and poke a second finger inside myself.

Watching myself raise up and grind over my own knuckles was making me wet, and I knew I had to take Graeme in my mouth. I found that if I turned my head to the side at an angle, I could take long, gobbling strokes of his shaft and watch my screen self bend over and insert my little finger into my arse, whilst Sally-Ann got into her role, "Oh yeah, push it in! Perfect – he'll like that!" And there was no denying that he did, as he ran his fingers through my hair, gently shoving my face over his meat and groaning his approval. I didn't want him to climax quite yet, as I knew what was coming next. The camera suddenly shook slightly, as I fingered my bumhole and pussy at the same time, craning my neck round and licking my lips towards the lens.

Having fixed the camera on a tripod, Sally-Ann suddenly appeared in the frame, wearing nothing but a strap-on. She gave a little wave and giggled, "Happy birthday, Graeme!" to the camera. I felt Graeme freeze in disbelief.

"Oh my God!" I heard him moan, as I

held his dick in my hand, my tongue now flicking his tip and sloppily licking his length. Bossily ordering me to turn around so she could fuck me properly, Sally-Ann slowly pushed the dildo deep inside my pussy, pulling my bum cheek back so the camera could see, then took hold of my hair to pull as she rode me. We knew Graeme wasn't going to last long when he watched us together, so I strummed two fingers over my clit as she pummelled away at me, our flesh smacking together to make a satisfyingly loud clapping sound.

I watched my facial expression turn to one of total ecstasy as I climaxed, and suddenly my 'real-life' mouth was full of Graeme's creamy gunk, which I gulped down my throat, greedily. I glanced up to see Sally-Ann sliding the rubber shaft slowly in and out of my snatch, as an orgasm rippled through my body.

The DVD ended with me slumped down on my knees, completely spent, as Sally-Ann walked over, still naked and wearing her strap-on, to turn off the camera. I, meanwhile, had never had to drink so much spunk in my life, which can only mean my little home video had exactly the desired effect!

PORN-A-LIKE PERVERSION!

Recently my husband Keith went on a stag weekend to Amsterdam. I didn't mind him going and having a laugh, as long as he didn't screw around on me. I'm not a prude, just a bit jealous over him!

This meant he got back from two days of watching porn and sex shows, and hadn't even managed a quick wank in the bog to relieve the tension. I'd told him to save it all up for me, and his bollocks were like grapefruits – that's how he put it, anyway! I knew I was in for a long night.

He had a few presents for me – the usual duty free, plus this porn DVD he'd "borrowed"

from one of the boys. When they'd been watching it he'd noticed one of the girls in it was a dead ringer for me.

He'd kept quiet about it, but of course the others who knew me noticed too. But they had a point – even I thought she could be my identical twin. "Sorry," I said to Keith, telling him I didn't actually lead a secret life as a porn queen!

We decided to watch it all the way through, as an extra turn-on. We lay next to each other on the bed, me giving Keith's cock a slow wank. Then he started stroking my hair – my signal to start moving down.

I wanted to keep watching, so I rested my head on his belly, and

started teasing his helmet with my lips. On screen my "twin"

was also gobbling her bloke, although a bit more flashily. She was giving it loads of tongue and wiping him over her face, while I just stuck to sucking – which seemed to work fine.

As he got hornier, he started pushing harder on my head, wanting me to take him deeper – how the fuck his

nuts hadn't already exploded in my face I don't know. But I didn't want to miss "my" porn flick through being face-down in his crotch. I told him we'd have to sixty-nine, me on top facing the TV, and he agreed. He'd seen it a few times already, and if he got to eat my cunt, fair enough. I thought he was about to jizz, but as I took him in my mouth, he started fucking it and the fist I had wrapped around his length.

My lookalike was a dirty bitch. She was wanking this one bloke as another, brunette girl sucked off a stud. The two men spunked all over the brunette's tits, and immediately my girl started rubbing her face in their mess. She was completely slathered in cream, grinning at the camera, then one of the blokes got the brunette to go down on her.

Each lick, each moan sent a little shock of pleasure through my own snatch, added to what Keith was

LACEY

It might be stating the obvious, but our Lacey is quite a 'sexual' person! "I love fucking!" And she always gets straight to the point too! "I need to have sex before I go to bed and as soon as I wake up in the morning, and if I can squeeze some more in between then that's just an added bonus! As far as positions are concerned, I'm an old-fashioned missionary girl with the added twist of pulling my legs back so that they're almost over my shoulders making full penetration nice and easy!"

Tammie

What a coincidence, Tammie! Drilling holes happens to be our hobby too! "DIY is boring but not if you do it in the nude!" grins the 28-year-old driller thriller. "In fact you could say that about a lot of things – going to parties, doing the gardening, popping down the all-night garage. These things can all be improved by doing them in the nuddy!" Hear hear!

MISHA IN EXILE

Back to Blighty for Misha with her tail (not to mention her livelihood) between her legs. Still, you can't keep a good girl down, as Misha gets the lift up to a sparsely furnished office space where she teams up with Erik Everhard. They

start off with some mutual oral by the window before a conveniently placed sofa lets them get down to things properly. Erik doesn't waste much time before things turn anal in a scene of genuine intensity from both performers. Misha's penchant for bum fun gets the better of her again, and she's soon overcome with lust before the pair of them are both, well, overcome.

STARRING: Misha Cross, Dolly Diore, Samantha Bentley.

Escort legend Victoria Summers is the full package! She oozes filth appeal, has a rack that demands to have a cock resting neatly in between each breast, and her pussy could quite literally suck a cock inside it! "Don't forget my arse hole!" Vicky chirps up! "That's the hole that I get the most pleasure out of getting filled. It's much easier taking 10 inches up the bum than in my tight pussy!" What about 6 inches?

MISTY

"I'm a real deviant!" confesses Misty with a giggle. "I was brought up really properly, in a nice house, but there's something about sucking off a man's penis through a hole in a public lav that really gets me wet. I don't want to see his face, just suck and fuck his cock through a hole! I guess I just love slumming it!"

HARLEY

Harley always likes to wear sexy underwear and as per usual she hasn't let us down! "I know the way to a man's heart, it starts with sexy lingerie and ends with the under garments being ripped off and me opening myself up, letting a guy, or girl, do whatever they want, with no questions asked, I don't need a safe word! You might though!" How about 'HELP'. "I've heard that screamed out on more than one occasion!"

doing with his fingers and tongue. Both girls looked like they knew their stuff – my twin was playing with the cameraman's cock now, as the brunette carried on sucking. Before I knew it, I was cumming. I kept on watching. As her girlfriend licked her from behind, the porn me got on all fours, lapping at her stud's balls. I started to focus on Keith's balls, reminding him of that scene. I was pacing myself for the cumshot, which happened sooner than I expected, so Keith was still a bit short of the mark. I carried on watching as the blonde took a load in her mouth, opening wide so the camera could capture it shooting in. Now I moved my pussy out of Keith's face, and went back to sucking him with my head on his belly. I rewound the cum shot, blowing him firm and fast as he watched the action, and somehow we both managed to time it so he spunked just a second after the guy on screen. I let his cum collect in my mouth, then gulped it down in one salty lot. We rewatch this DVD a hell of a lot!

Tessa, Dorset.

On The Pool!

I've always tried to make the best of myself, so after having my daughter last year, I've worked really hard at getting back into shape. Being pregnant suited me and I didn't put on much weight, so it was mostly toning up again. The pool's quite quiet at the times I go, but I soon got to know a few of the regulars by sight. Among the one's I'd often see were two blokes in their early twenties, who used the little gym attached to it and had a dip afterwards. They're both friendly lads and, though I'm 31 and married, I used to enjoy chatting with them and flirting a little. I'd see them watching me as I got out of the pool, dripping wet. So I'd have fun, being cheeky and bantering, loving the effect I was having on them. My husband always calls me "Mummy" in front of the baby, so it was sort of nice to have someone go, "Oi, sex goddess!" whenever they saw me! Last week, though, it got a bit more serious. I had the pool to myself when they turned up, pumped up after

a gym session. I was doing lengths as usual and, when I reached the shallow end, one of them – Jamie – swam up to say hi. He was really giving me some chat this time. I stroked some wet hair out of my eyes, flashing my wedding ring at him, but he wasn't bothered. Yet again, I thought how gorgeous he was close up – big brown eyes and a really fit body. And then his mate, Karl, came up behind me, and put his hands on my hips. I still don't know exactly what got into me – I just thought "Fuck it..." leaned back, craned my neck and gave him a snog. There was nobody around, not even a lifeguard – so no one to stop us when we got out of the pool. Even though the water was

slightly chilly, I saw they both had massive hard-ons, their wet trunks clinging to the outlines of their cocks. A minute later I was knelt down by the edge of the pool with the guys standing in front of me. I took a cock in each hand then started licking their helmets, switching my mouth between them, the salty flavour spreading over my tongue. I sucked on Jamie's but when I tried to pull back off it again, he gently held my head in place.

At first I used to swim in a one-piece, but in the past few weeks I'd felt confident enough to wear a bikini, now my belly was pretty much back to normal. So Karl got in behind me and pulled the bottoms down to my knees so he could play with my pussy. Each stroke, each dip of his finger inside it, got me sucking harder on Jamie's knob, taking it in deeper and deeper so it touched the roof of my mouth and back of my throat. When I came up for air, I asked the lads not to cum inside me. Who knows why?

Maybe I thought it was less unfaithful or something stupid like that. "Can we cum ON you?" asked Karl, and I said okay. Next thing I knew, he'd stuck his cock up my pussy, shoving my mouth forward onto Jamie's prick. I just let him set the pace, and wrapped my hand around Jamie's root, setting how deep he could sink into my mouth. Otherwise, I let them both fuck as hard as they liked. Guys that young don't tend to last long. Jamie was holding out, but Karl was struggling, stopping to get back in control, then only managing a few pushes before he had to stop again. I signalled him to come back round in front of me, and he stood there, throbbing, as I squeezed just under his helmet – a little trick I know to calm a bloke down! Jamie saw his chance and nipped in behind me, ramming his hard-on in my

cunt, and fucking me to the brink. "Stop," I told him. "Just push in deep..." and he stayed in me down to his balls until I frigged my clit off. Then he pulled out. He said he'd never felt a woman cum around his cock before – that's where age and experience win out, I suppose!

I had two cocks in front of my face now, glistening with my own cream. Jamie wasn't quite as close to cumming as his mate, so I sucked him first. Then I literally just closed my lips over the top of Karl's bell-end before feeling the first little spurt of spunk.

I arched up, wanking the pair of them furiously, taking two loads simultaneously all over my tits and face. Then I just knelt back on my haunches, letting them watch it drip down over my belly to my pubes.

I should feel more guilty than I do about it, but – stupid though it sounds – I felt like I was someone else when I did it. Certainly not "Mummy" anyway!
